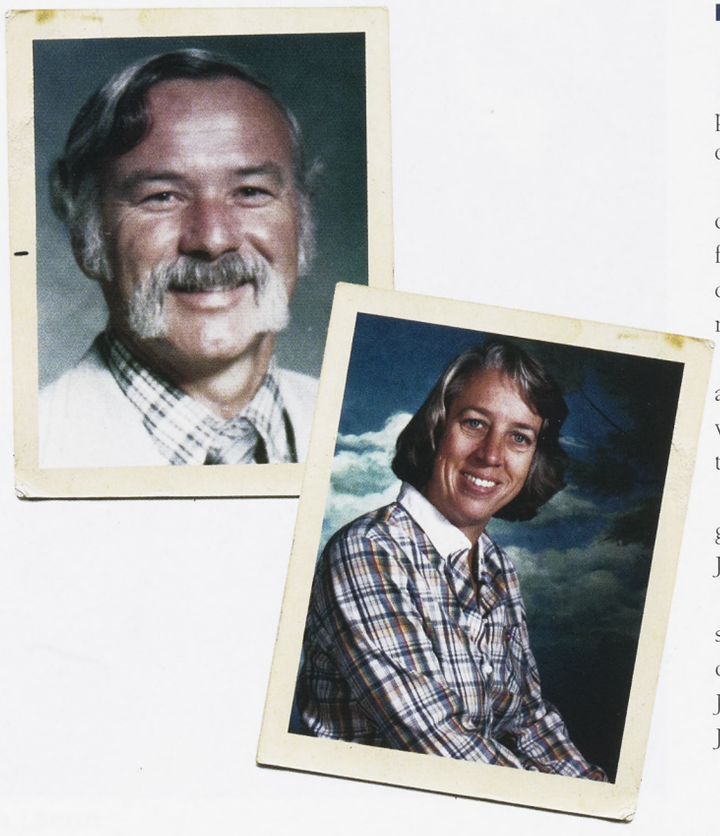
Welcome to Our 20th Year!



This is a special Jubilee for us, the town and our volunteers. "Welcome" means *20 years'* worth of mountain music, with many varieties of jazz, and still going strong. We are very proud to be providing 20 years' worth of fun entertainment for all of the loyal enthusiasts, friends and jazz fans like you.

Our volunteers are mostly local citizens who make up about 9% of our population. Over the years, non-locals have also volunteered for the Jubilee. All volunteers are the backbone of the event. Without them, it wouldn't happen. A big thank you in advance for your many years of great work and dedication – keep it up.

Read the program and inserts for all of the latest information about special events. The Friday morning parade and evening fireworks are only two of the new items brought to you to help make the 20th Jubilee a special event.

Check out the "Jazzy-T" raffle, and take a chance on the gorgeous quilts made by Cathie Jones. All proceeds will benefit the Jazz Camp program.

We want to thank you, our guests, our many old and new sponsors, the many donors, the musicians, and again the volunteers; all of whom have helped make a success of the Mammoth Lakes Jazz Jubilee. Hope to see you again next year for the 21st Jazz Jubilee—July 8–12th, 2009.

What's New for the 2008 20th Jazz Jubilee?

1. TRANSPORTATON

There should be plenty of parking in the Village lot and at Canyon Lodge with several types of free transportation to/from each location. The town's Mid-town lift travels from Vons to Sierra Valley Sites, The Village & Canyon Lodge and back.It runs until 8:30pm Mon-Fri. & until 9:00pm on Sat. & Sun. Town trolleys are free and fun to ride. You will find that most of the free town transportation starts between 6:30-9:00am and ends between 8:30-10pm.The Lakes Basin Trolley is the exception-it stops at 6:00pm. Please check the map on pages 20-21 for more information at each venue-for Jazz Trolley routes/times, Jazz Bus routes/times, and other free town transportation. Little Eagle parking lot will be open Thursday thru Sunday with shuttle service. As of this writing, not sure if the Village lot will be open.

2. NEW VENUES

#1-Mammoth Lakes Arts Center is on Old Mammoth Road behind Coco's Loco's restaurant. It is on the free town trolley route, two blocks past Grumpy's, and will be the venue for Friday's p.m. & Saturday's daytime Pianorama.The Theater takes the place of Little Eagle Lodge-the former Pianorama venue, but Little Eagle will still be used as a band venue this year.

#2-Ski Museum Tent out at the college off of Meridian Blvd. will be a new music location. There is plenty of free parking available. The tent will have music on Friday-Sunday, and is located across the street from the Saturday night Fireworks show at the high school football field. This tent replaces the Canyon Lodge tent.

3. NEW DINNER BREAK

Look for "dinner breaks" at several venues, including the RV park.

4. NEW BANDS

"Night Blooming Jazzmen" return after one year, while "Your Father's Mustache" & "Phil Norman's Tentet" return after several years' absence. Jennifer Leitham's Trio and Scott Martin's Latin Soul Band are first timers. Let's give them all a warm Mammoth Jazz Jubilee welcome.

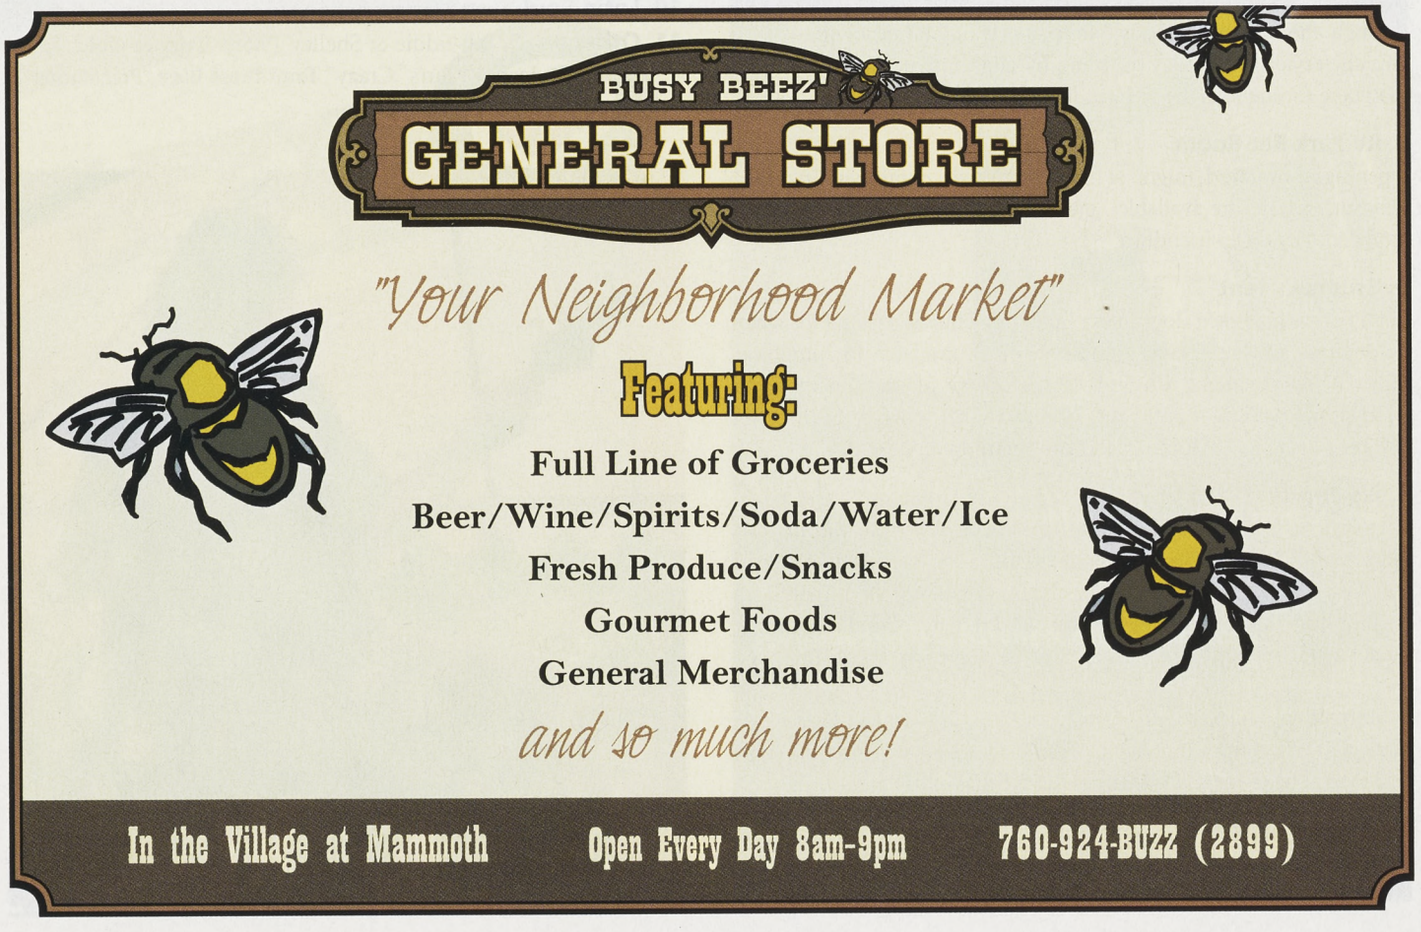
Win one of two handmade quilts in the raffle.

5. RAFFLE QUILTS

Two handmade (by Cathie Jones) quilts will be raffled off to help keep our Jazz Camp alive and well. Tickets will be $5 each of 5 for $20. You will see these quilts at most Jazz Camp Youth performances. The drawings will be held at the Jazz Camp graduation on Sunday morning at the Church site, and the winners need not be present to win. Buy a chance or two to help support the Jazz Camp.

6. JAZZY-T'S/GOLF SHIRTS

A great new design with several colors to choose from. This year's winner will receive 2 Southwest airline tickets to anywhere in the



United States. These were donated by Stuart Dennis, the leader of the High Street band. The winning postcard will be drawn at the Holler before the finale on Sunday-need not be present to win.

7. DINE WITH A MUSICIAN LIVE AUCTION – NEW FORMAT

This event will be hosted by the ever popular Yve Evans-auctioneer extraordinaire. It will take place before the Big Band set Friday night at the Big Top tent. Several restaurants around town have donated gift certificates for breakfast, lunch, &/or dinner. You may use: cash, check or credit card to pay for the winning bid to "Dine with a Musician." Please bring your wallets and bid on this rare opportunity to share a meal with a player or two. Some very simple rules apply-No cash refund if the full value of the certificate is not used, tips are not included, some say OK to apply to whole bill-but some say "does not apply toward alcohol". If the certificate does not cover the whole bill, you will need to make up the difference. Join in the fun and take yourself &/or your best friend to this rare opportunity to maybe dine with Bob Draga, Tom Hook, Jeff Barnhart, Bill Allred or more.

8. BASKETS

A variety of themes will be represented, such as: "Golf", "Kids/Grand Kids", "Circus-Circus in Reno", "Silver Legacy in Reno", "Make Mine Mammoth", "Pets", "Jazz", "Dine Out", "Coffee", "Music-Music", and "New Orleans" just to name a few. The chances are $5 each or 5 for $20. These baskets will be on display from Thursday until Saturday evening at the Holler and Big Top only. You buy a ticket and place it in the can in front of the basket you would like to win. These baskets will be fun for yourself or make great gifts for birthdays, etc. or will be great additions to your collection. You will have until the start of the last set at the Big Top & the last set at the Holler on Saturday night to place your tickets in the cans. The basket drawings will be held Saturday night at each site. You may claim your winnings then, or wait until Sunday to pick up your basket(s) of goodies.

9. PARADE

This musical celebration will take place Friday morning at 10am down Old Mammoth Road from Chateau Road to Tavern Road and back up Sierra Park Road to the High School parking lot. Parking is easy. It is across the street from the Chart House or in the high school parking lot-the parade will pass by on Old Mammoth & turn the corner there on to Tavern Road. If you are a walker, you could walk from the RV Park or from many condos along the Old Mammoth Road/Meridian Blvd corridor. No bleachers or seats will be available so it is OK to bring a chair or a blanket to sit on the curb. This parade will feature many of the players performing at the 20th Jubilee, so come early for a good spot and enjoy.

10. SATURDAY NIGHT FIREWORKS

A very special event celebrating Jubilee #20 is about to happen, weather permitting. A fireworks display will take place on the Mammoth High School Football field about 9:40-9:45pm Saturday

July 12th. For seating you will find cement and/or metal bleachers with no backs or no cushions. It is ok to bring your own blanket or cushion to sit on. If you are in the RV Park, there is a pathway to the field from the back of the park. As far as parking, there are spaces at the high school, the intermediate school, and at the elementary school-all three are very close to each other. The Jazz Jubilee will have a shuttle to take you from most sites to/from the football field. For those who can't get enough music, several venues will continue to operate while others will shut down early so you can get to the football field to see the show. We hope to have some music/bands playing on the field for two hours or so before the show. The high school boosters will have a food and drink (non-alcoholic) trailer open with hamburgers, hot dogs, etc. for your snacking pleasure. Please follow the maps at the venues, and follow the directions of the volunteers when you arrive on site. Please remember that No alcohol or tobacco allowed on school grounds.

11. "BUILD A BAND" BUFFET DINNER

is returning Sunday night upstairs at Canyon Lodge for only the first 250 diners. This "extra pay" for the "Extra Jazz after Dark" event is $40 per person. No host cocktails will start at 6:30pm; music starts at 7:00pm, while dinner will start at 7:30pm. The bands that are playing are: Titan Hot 7, Cornet Chop Suey, and the Midiri Bros. Septet. You will see groups playing together that you won't see together at the Jubilee. You can buy your ticket at 1-800-Mammoth or at the Holler badge booth when you arrive. Grumpy's will once again do their Sunday evening "Goodbye to the Jazz Jubilee" show which will run from 8-10:30 and is a $5 entry fee. This will be performed by some players from the High Street band.

12. SUNDAY MORNING SPECIALS

Night Blooming Jazzmen will do their famous "Hymn-a-long" show at the Big Top early Sunday, followed by the Miridi Bros. Septet's "Sunday Music" show. Blue Street will do their "Gospel" show at the Holler-Yve Evans sometimes joins them, and High Street will perform at a "real" church service at the Church venue.

In Memoriam

Mammoth will miss these four jazz devotees, whose contributions to the festival and to the music were immeasurable.

Bob Finch

Bob Finch toured with his swing band The Chicago Six into his 80s, playing bass at festivals all over the US and the world.
The San Diego native taught music for 30 years, and after retiring devoted his time to The Chicago Six. Finch was the band's leader and announcer, known for his dry sense of humor and a resemblance to Abe Lincoln.

"As the emcee, he would don a dour, dead-pan personality as he told the jokes. But when we were playing, this radiant smile would come over him and he would start swaying. The look on his face said it all, like, 'Ain't this the greatest thing in the world that anybody heard?' " Si Perkoff, the band's piano player, recalled.

Bob Florence

Acclaimed Grammy and Emmy-winning musician and composer/arranger Bob Florence brought a different sound to Mammoth as co-leader of the Kim Richmond/Bob Florence Ensemble, a

contemporary jazz group exclusive to this festival.

Florence, a Los Angeles native, was best known as a top-notch arranger, especially skillful at writing for jazz big band instrumentation. Florence also wrote television scores and was a musical director for performers from Red Skelton to Julie Andrews and Doc Severinsen.

In the late 70s, Florence began to perform in Southern California with an A-list, large ensemble group that would eventually be known as the Bob Florence Limited Edition. The band won a Grammy in 2000 for the album "Serendipity 18." We will all miss Bob.

Bill Gunter

The Jazz Jubilee lost a dedicated volunteer and a talented musician last year. Bill Gunter, of Sacramento, was also a Jubilee poster and pin designer and "washboard player extraordinaire," said Flossie. Gunter formed his first musical group, the Boondockers, in 1959. The folk duo eventually expanded to a ragtime/Dixieland quartet and played in the Sacramento Jazz Jubilee and other music festivals and venues in that area. He was also involved in the city's traditional jazz music society, where he met his wife, Bev.

Bill Hunter

Bill was with three great bands over the last 25 years and played at most major jazz festivals in the US. After many years with The South Market Street Band, he became the pianist for Temple of Folly. Leader Ken Coulter raves about not only his loyalty and wonderful playing, but what a great gentleman he was and how everyone loved him. He was with Temple of Folly for the last 12 years.

He began playing with the "Big Time" Bill Allred band about five years ago and fit right in with these great players. Bill Allred said Hunter could swing hard, was very inventive and always easy to get along with. "We all loved him and we loved his playing."

Hunter, a dentist who lived in San Diego, would often help fellow musicians who lacked insurance benefits.

Special Needs

Each year, we make every effort to meet our guests' needs, including those of the physically challenged.

Look for handicapped-equipped toilets at the Big Top complex, inside of the RV Park Rec Room, Whiskey Creek parking lot, and Grumpy's Tent. Three of these sites have paved surfaces, and there is a ramp and wooden floor at the RV Park site.

Please be aware that the Church and Holler sites do have wood chips surfaces, which may make walking more difficult for some handicapped guests, and especially difficult for those in wheelchairs and those with canes.

A limited amount of handicapped parking spots will be provided at the Big Top complex in the parking lot behind the closed Ocean Harvest restaurant and at the Ski Museum. Very limited spaces at other sites.

For all you weary guests, check out a very special feature at the Holler—a massage chair with a professional masseuse! Stop in for a quick back-rub or foot massage. Be sure to sign up for this 10-minute treat.

As for those on bicycles, look for bike racks at many of the sites. Be sure to bring your own locking devices

Music Society of the Eastern Sierra

The Music Society of the Eastern Sierra works, encourages, sponsors and stimulates active participation in the performance of music. The Society has given the Mammoth Unified School District music programs, invaluable support. These contributions help cover costs for instruments, accompanists and band T-shirts, as well as provide financial assistance for students to attend festivals and contests. The

organization contributes to the Jazz Jubilee Jazz Camp, a week-long program for young musicians interested in learning to play jazz. Their donations allow local students to participate in this popular camp. Music Society members lend a hand at the Jazz Jubilee by working as information assistants at the Holler. If you don't see a red-aproned information guide (with the big white question mark on the front of the apron), stop by the Music Society table and they will assist you. The Music Society also contributes to other local events and organizations such as the Sierra Summer Festival, and the Community Chorus ("Messiah").. They also provide scholarships for promising high-school seniors who have proven their interest in the music field. Stop by their booth to see if they have something you may want to buy. Thank you for sponsoring our Jazz Camp "Professors".

Drink Responsibly...

High Altitude Hits You Harder, You're at 8,000 Feet above Sea Level

While reveling in the wonderful music here at the Mammoth Lakes Jazz Jubilee, remember to Think Before You Drink! This is the High Sierra and the elevation of this festival is about 8,000 feet above sea level. For those of you unfamiliar with such altitude, take it easy!

You and your body will react to alcohol differently- you will get drunk much faster. Please hydrate with lots of water. Consuming two beers at high altitude will affect you more than at sea level. Should you become unable to drive, take advantage of the free shuttle bus system. Please limit your bar purchases to two drinks a trip. If you live/or are staying outside the shuttle route, contact a site manager, who will find you a ride home. Safety always comes first!

Also, should minors approach you to buy them alcohol, please refrain from doing so, and report the incident to a Jubilee official. Pick up one of the local hospital's brochure titled High Altitude Tips for more information about Altitude Adjustment and the effects on your body at 8000' elevation.

11th Annual Musical Instrument Petting Zoo

Saturday, July 12, 9-9:45 a.m. at the Holler

When the Petting Zoo was introduced to the Mammoth Lakes Jazz Jubilee ten years ago, no one really knew how big a hit it would be! You see, many festival-goers have never even touched a musical instrument, much less played one. At the Musical Instrument Petting Zoo, folks can do both!

Kids, adults, musicians and non-musicians all tried their hand at the many instruments available with avid enthusiasm. We hear some people take up their favorite instrument. The instructors sure get a kick out of it, too.

This year, we are holding the Instrument Petting Zoo on Saturday, July 12 at the Holler. Petting Zoo time begins at 9 a.m., so stop

Rules where common sense & Jubilee etiquette should prevail

THESE RULES WILL HELP MAKE THE JUBILEE MORE ENJOYABLE FOR ALL. THESE ARE FOR YOUR INFORMATION AND TO HELP YOU HAVE A GREAT TIME. PLEASE COOPERATE WITH THE FOLLOWING GUIDELINES:

BE CAREFUL CROSSING STREETS

Use crosswalks where painted. Be aware that Minaret Road by The Village is very busy—try to stay inside the walking lane. Also, the sites for the Big Top and Grumpy's are situated on both sides of Old Mammoth Road. Be very careful when crossing in those areas. Be very cautious as cars and drivers are not used to a lot of foot traffic in that area.

Another area to use extra caution is the Holler. There are no streetlights between the Church site and the Holler so be careful when walking there. You may want to bring a flashlight for evening walking.

NO SEAT SAVING

Not even with your seat cushion! Please help us with this constant problem! We want to provide chairs for as many people as we can. If you come into a site early (when they are not officially open for example), and leave your cushion on a seat and then leave the site, your cushion will be removed from that seat and taken to the lost and found! Also, once you are in a site to stay, please DO NOT save a seat for someone who is not there. After the performance has begun, site personnel have been instructed to seat all people without seats. If one location is filled to capacity, please try the other sites. Be aware that most indoor venues have limited seating. (It's OK to leave your seat if you go to the bathroom or if you want to buy food or drink! Tell your neighbor so your seat will not be given away).

LOST AND FOUND

Items will be located in the main ticket booth at the Holler and at the badge sales booth near the Big Top, behind the Sierra Nevada Rodeway Inn. *Check the area around your seat before you leave so you don't forget anything.

RECYCLE CANS & BOTTLES

Recycle in the marked trash containers. We are trying to recycle better than in the past. Please help us with this goal by placing trash in the correct receptacle, and recycles where they belong.

PARASOLS & UMBRELLAS

Please be aware of the direction and sight-blockage your parasol is taking. Also, please use caution and be careful not to poke anyone; these do hurt when they accidentally come in contact with people! Read the Mardi Gras Madness article.

VCR RECORDERS

They will be allowed in designated areas only—this is at the discretion of the bandleaders. Elaborate tape recorders are not allowed. Small, hand-held audio-recorders are permitted.

DANCING

Please dance only on designated dance floors. Dance floors will be at the following sites: RV Park, Holler, Big Top, Whiskey Creek, Whiskey Creek Tent, Church and Grumpy's Tent. Special dance floors at the Holler and Big Top sites are for children to dance. Please don't dance in front of the audience; everyone wants to hear and see the bands. Even though the spirit may move you please do not

dance on the wood chips or bare dirt; it kicks up a lot of dust and is hard on the musicians, as well as others.

SSHH!

Please hold it down! If you must talk and socialize, please go to an outer area of the venue so you don't disturb people who are trying to listen.

RESTROOMS ARE PROVIDED AT EACH VENUE

Look for signs or ask site personnel for locations. Handicapped toilets are at Grumpy's, Big Top, and Whiskey Creek Tent – all areas with a black top surface. Also, nice facilities are in the RV Park Rec Room. Village tent has indoor toilets nearby.

PARKING INFORMATION

Other parking areas will require common sense. It will be limited in some locations of town, so please use the free shuttle, walk, or ride a bike. If you must drive, check the following areas for limited off-street parking: the lot across the street from The Chart House on Old Mammoth Road, Mammoth High School lot behind Grumpy's, Little Eagle Tent lot, and the lot across from the Village- off of Forest Trail. Please do not block parking spots designated for band members or our hardworking crew. Always follow the directions given by volunteers and signs. The Jazz Jubilee free shuttle bus will service the Mammoth High School parking lot as well as the RV Park, Main Street & Minaret Roads. Please see the map in this program to find location and approximate pickup times. Be aware that the High School lot may have a small charge collected by high school organizations.

ALCOHOLIC BEVERAGE POLICY

Any beverage you purchase at one of our food/drink booths may be taken out of that outdoor site, transported down the street, and taken into another outdoor site. Please note that California law **DOES NOT ALLOW ANY OPEN CONTAINERS OF ALCOHOL IN VEHICLES**. The Jubilee's special alcoholic transport law is only for walking from venue to venue, not driving, and only applies to beverages purchased at one of our **OUTDOOR SITES**. This beverage law is on a yearly trial basis with the ABC. Please help us with this so we may continue this policy in the future instead of the Drink it or Dump it rule that applies to most fests. Thank you for your cooperation. Remember that this applies to our outdoor venues only. Please do not take beverages in or out of Petra's Cafe, Little Eagle Tent, Whiskey Creek Restaurant, or Hennessey's site. Thank you! Any vehicles operated by the town do not allow alcohol/food. Please obey this rule!

SORRY—STILL NO COOLERS, THERMOSES OR OUTSIDE ALCOHOL ALLOWED IN ANY VENUE.

WOODEN DOLLARS

They will be used as payment for food and drink at most outdoor sites only. The exceptions: The Sunday night program at the Grumpy's Tent. The Good-bye 2007 Jubilee party at Grumpy's is sponsored by Grumpy's and WILL ONLY TAKE CASH. Be sure to spend your wooden dollars prior to 5:30 p.m. Sunday evening! You can save them for next year or donate them back to the Jazz Camp kids by putting them in the containers by the exits. (No refunds).

MOST INDOOR SITES

Whiskey Creek Upstairs, Petra's, Hennessey's, Little Eagle Tent, & Sherwin's will accept cash/credit card only, with exception of the RV Park—wooden dollars are accepted there. At the entrance to the Holler and by the Big Top Tent, at the Badge Sales Booth, you may purchase wooden dollars with a cash or credit card (minimum $20 purchase with credit card). All other outdoor sites will take only cash or checks for the purchase of wooden dollars. If paying by cash or check, there is no minimum: you can buy from $1 up. Also, look for Mammoth Lakes Jazz Jubilee chippies selling wooden dollars at the Holler.

MOST OF ALL ENJOY!

This has been a community effort from the beginning, so please patronize our food booths (most are run by local, non-profit organizations), and souvenir tents, as well as our town's restaurants and shops. We have some great small town eateries. Be sure to pick up the local dining guide.

DO HAVE A GOOD TIME, AND WE HOPE TO SEE YOU NEXT YEAR, JULY 8-12, 2009!

Come back to see Jazz with Altitude.

Friday Night Mardi Gras: Madness or Manners?

Only one location will have Mardi Gras fun on Friday night July 11th—The Holler. Masks, beads, and many glow items will be for sale in the souvenir tent-get yours early. Join in the fun and catch the Mardi Gras spirit.

Please have a fun Mardi Gras time, but respect the rights of others who may not be as active or involved as you are. Remember to be careful with the direction you place your parasol or umbrella. The view from many seats at the both Church and Holler become blocked when people stand/dance/or jump around in front of the stage.

In order to accommodate all Mardi Gras enthusiasts, we would like your help with the following:

1. For the first 45 minutes of each 55 minute set, second line paraders and partiers may move anywhere in the site so long as you **DO NOT STOP** in front of the stage so you are not interfering with someone else's view. It is **NOT OKAY** to party in front of the stage where you block vision for those seated there.

Exception—for the last 10 minutes of each set—it will be okay to get in front of the stage. However, **ABSOLUTELY** no one other than paid performers are allowed on the stage at anytime!

2. To those who are seated, we hope you enjoyed the first 45 minutes and understand the last 10 minutes of each set. If you can, you may want to join in the fun with the second line paraders.

3. Remember most rows of chairs in the Holler are on a relatively level surface, so if you want to see the stage for the whole show, you may want to take a seat on higher ground, or get up and party, too!

Be prepared to have some fun and get into the Mardi Gras spirit.
We are trying to make Mardi Gras fun for one and all. Thanks for your understanding and cooperation!

The Barkin' Dawg Band is one of the few (and true) youth bands that doesn't have an elder instructor. All the members are current, or former, musical students from Lodi. Originally founded by Bob Romans of the Cell Block 7 Jazz Band, the "Dawgs" have been in the capable hands of Rikki Nishimori since 2002. They've played Trad Jazz and original arraignments at festivals in Sacramento, Monterey, Fresno Mardi Gras and the Vintage Wine Festival. The Barkin' Dawg Band has played Mammoth for a handful of years and usually plays a set in honor of their former member and Mammoth fan, Lance Gardenhire. Lance passed away at the tender age of 19 and the Lance Gardenhire scholarship for a Mammoth Jazz Camper is an honor bestowed annually to a deserving trombone player.

Bill Allred's
Classic Jazz Band

Origin: Orlando, Florida

The hard-swinging unit of Bill Allred's Classic Jazz Band started out as a "kicks band." Just for the fun of it, they went to a few Jazz festivals. That was over 13 years and many albums (available at Jazz Jubilee) ago! They now enjoy worldwide acclaim for their versatility. With a varied collection of music from the 1920s to present day, Bill Allred's Classic Jazz Band plays big band, little band, traditional, Dixie, swing, straight ahead with arraignments from Matty Matlock to Doc Severinson.

Anne Barnhart flute, **Danny Coots** drums

A flute at a Jazz Jubilee? UGH! You may say, but wrong you'd be! Ivory & Gold was "accidentally" created right here in Mammoth when Anne sat in with Jeff during a Pianorama set. And we're sure glad she did! Their sophisticated sound and classic ragtime tunes have made them a Jazz Jubilee favorite. Ivory & Gold has now expanded to a trio by adding Danny Coots, a Grammy award winning Nashville percussionist, to the mix.

Make sure you catch these talented youth. They are the future of Jazz.

This is the sixth time in Mammoth Lakes for the Midiri Brothers. The brothers are leaders of various small group jazz ensembles and also lead a 16-piece big band. Their arrangements feature authentic, yet creative performances of the music of Benny Goodman, Lionel Hampton, Artie Shaw, Red Norvo and many others. Since 1990, the Midiri Brothers have made the rounds of the East Coast's premier venues, including New York City's Rainbow Room and Philadelphia's Penn's Landing. They are a hit everywhere they play!

Night Blooming Jazzmen

Jim Richardson reeds/vocals, **Vinnie Armstrong** piano/vocals,
Don Richardson string bass, **Lance MacLean** banjo/guitar/vocals,
Larry Kostka percussion/vocals

Jazz festival veterans, the Night Blooming Jazzmen, return to Mammoth with great traditional jazz. Those familiar with this famously funny band may recognize them from the Sacramento Dixieland Jubilee, where they first played in 1975 as an ad hoc band representing the influential Southern California Club, the Society for the Preservation of Dixieland Jazz. Not only were they asked to return, they've been performing at the Sacramento festival ever since. The band's style ranges from traditional to early swing, with side trips into Sousa marches and gospel music.

PB&J

Origin: California, Missouri, New Jersey
Sponsored by: Bob & Sue Hassler

Paul Reid piano/vocals, **Brian Casserly** trumpet/trombone/vocals,
Jim Lawlor percussion/vocals

Most of us have enjoyed a "PB&J" (peanut, butter & jelly) sandwich more than once during our lifetime and this version, consisting of a couple of Cornet Chop Suey and one Midri Brothers members, won't disappoint. With Paul's infamous "sticky" jelly fingers on the keyboard, Brian's special "butter" used to make the jelly donuts he loves to sing about and Jim's creamy "smooth" beats make the "nutty" group of PB &J the perfect jazzy snack for any fan.

Returning after several years' absence, the Phil Norman Tentet and its Modern West Coast Jazz (including arrangements by Bob Florence) is a Southern California favorite. As Chuck Niles, a Jazz Disc Jockey at KLON-FM 88.1 said about them, "This great ensemble creates a cool sound that Gerry Mulligan, Dave Brubeck, Shorty Rogers and even Kenton would relish."

Making their 12th appearance, the Professors are an ensemble cast of educators from the Mammoth Lakes Jazz Jubilee Camp. The original idea behind the group, according to MLJJ Co-Director Ken Coulter, was to take these talented teachers out of the comfort zone of their usual bands and see what would happen if they all tried to play together. Instant success was the result and the Professors have been a Mammoth "must see" ever since.

Sue Palmer has been coined the "Queen of Boogie Woogie" and is said to be able to transport any audience into a little Harlem jazz café, circa 1937. Sue's ensemble consists of some of the West Coast's finest musicians and the group flows effortlessly from Big Band to blues to jumping jazz to swing. Watch for trombonist April West to take off her shoe and play her horn with her foot. Their energetic and imaginative shows are always a hit here on the "Eastside."

Jazz Jubilee Camp: 14 Years and Counting

One of the best ways to keep jazz alive is to keep young musicians swinging. Here at the Mammoth Lakes Jazz Jubilee, we attempt to do so by offering a week-long camp devoted to teenagers and to jazz. This July, the annual Mammoth Lakes Jazz Jubilee Camp celebrates its thirteenth year.

Currently underway for students in junior high school and high school (ages 13-17), the camp began July 6 and runs through July 13. It is a unique opportunity for young musicians who want to learn the elements of jazz, and who wish to perform at a major jazz event.

The camp is not for learning how to play an instrument; it's for learning how to play jazz! Professional musicians and educators are providing the students with playing experience, not just classroom experience. To top it off, this jazz camp gives young musicians an opportunity to perform throughout the Mammoth Lakes Jazz Jubilee. Look for them as the Youth/Jazz Camp Band on the schedule. Come and support our jazz players of the future!

Emphasis in the camp is on improvisation, instrumental technique, harmony and scales, creating jazz solos, improvising ensemble parts, and learning to play from music and by ear. Several different jazz styles are entertained at the camp.

Bill Dendle of the former South Market Street Band is the camp administrator. Several other world class instructors will join Dendle in the experience, including Corey Gemme, Anita Thomas, " Fast Eddie" Erickson, "Westy" Westenhofer, Ed Metz Jr., Jason Wanner and Shelley Burns.

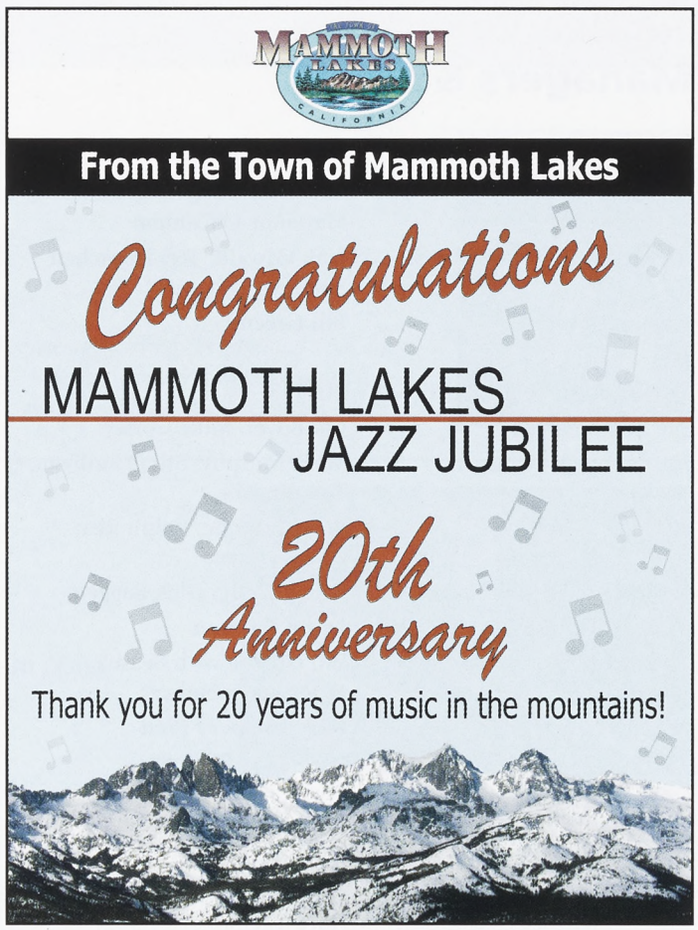
In addition to performances by the jazz camp students, be sure to catch all the Mammoth Lakes Jazz Camp instructors performing here as the" Professors." Check the schedule for time and locations.

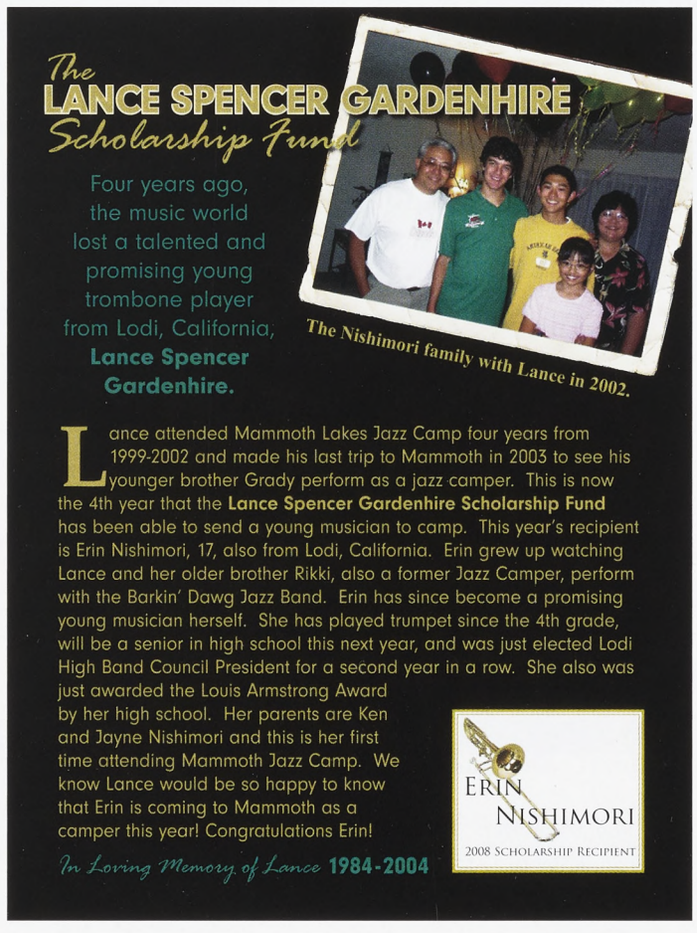
In past years, the camp has drawn students from all over the state, as well as from Utah, Arizona, Oregon, Washington, Texas, Idaho, and Florida. They are all anxious to perform for you at this year's Mammoth Lakes Jazz Jubilee, so check out at least one of their sets. Many are returnees, so see how much they have improved over the last year.

These kids will amaze and delight you! Don't forget to catch the Barkin' Dawgs—many are former camp graduates. It's nice to see these "kids" move on to bigger musical experiences. They will be performing the history of jazz with Tom Hook.

Jubilee Sends Students to Jazz Camp

Each year, the Mammoth Lakes Jazz Jubilee donates money to send local students to jazz camp.





The
LANCE SPENCER GARDENHIRE
Scholarship Fund
Four years ago, the music world lost a talented and promising young trombone player from Lodi, California, Lance Spencer Gardenhire.
The Nishimori family with Lance in 2002.
Lance attended Mammoth Lakes Jazz Camp four years from 1999-2002 and made his last trip to Mammoth in 2003 to see his younger brother Grady perform as a jazz camper. This is now the 4th year that the Lance Spencer Gardenhire Scholarship Fund has been able to send a young musician to camp. This year's recipient is Erin Nishimori, 17, also from Lodi, California. Erin grew up watching Lance and her older brother Rikki, also a former Jazz Camper, perform with the Barkin' Dawg Jazz Band. Erin has since become a promising young musician herself. She has played trumpet since the 4th grade, will be a senior in high school this next year, and was just elected Lodi High Band Council President for a second year in a row. She also was just awarded the Louis Armstrong Award by her high school. Her parents are Ken and Jayne Nishimori and this is her first time attending Mammoth Jazz Camp. We know Lance would be so happy to know that Erin is coming to Mammoth as a camper this year! Congratulations Erin!
